Scooter,

What's up pal?! Well, another year is almost
done and we made it through another year of Bobby D.
I guess looking back now, we did have a lot of
fun. Next year will be even better with us being
the great seniors. We're gonna have to go out
a lot this summer.

SCOOTER, DAWG—

WHAT'S UP? Well we've completed
another boring ass year at
Springfield H.S. But we've tried
to make it as fun as possible by
PARTYING A LOT. WE'RE GONNA HAVE TO
Go out a lot over the summer
AND PARTY it up some more.

Farewell . . . To The Seniors of 1984

Welcome . . . Lively Seniors of 85

1984 Springfield Homecoming Queen, Cindy Swiczkoski

introduced at
half time.

Homecoming Court: Dawn Wood, Becky Moore, Terri Simon, Kimberly Solly, Queen Cindy, Michelle Lubinski, Jennifer Clinger, Debbie Jernigan.

"Through The Years" was the theme for Homecoming which was celebrated September 28, 1984. One of Springfield's time-honored traditions, this Homecoming was second to none. Unfortunately, Mother Nature did not cooperate and the assembly, which was to have taken place in the stadium, was moved to the gym because of rain and cool temperatures. The weather did not dampen anyone's spirits, however, and the student body cheered the football team to a 28-23 victory over Maumee.

Chosen to reign over the weekend

festivities was Senior **Cindy Swiczkoski**, whose escort was Jim Hampton. Senior representatives on the Court were honor attendant **Kimberly Solly**, and attendants **Terri Simon**, **Becky Moore**, and **Dawn Wood**, who represented Penta County. Their respective escorts were Tom Mulcahy, Prakash Patel, Bobby Haas, and Lance Pfaff. Representing the underclassmen were junior **Michelle Lubinski**, escorted by Craig Kuhnle; sophomore **Jennifer Clinger**, escorted by Jimmy Fitsko; and freshman **Debbie Jernigan**, escorted by Jeff Schoch.

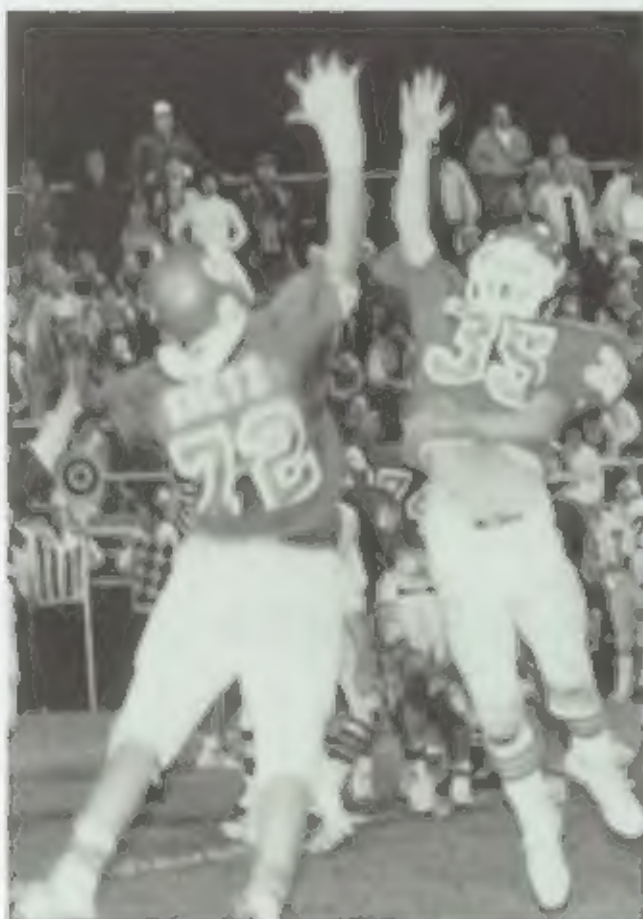

Highlights of the celebration included the crowning of Queen Cindy by 1983 queen **Deanne Di Lucia** at the assembly; a pre-game parade of the Court in Corvettes; the release of hundreds of balloons at the conclusion of half-time ceremonies; and the Blue Devils' win over Maumee.

The festivities concluded with a victory dance held in the south gym on Saturday night with SHS grad Andy Duplay providing the music.

Despite the rather gloomy weather, it was, according to Queen Cindy, a weekend she'll remember through the years.

A DEDICATION . . .

Donald C. Prentiss, principal of Springfield High School since 1971, grew up in cross-town rival Maumee. An outstanding athlete, he was captain of the 1944 Maumee Panther football team.

After graduating from high school in 1945, he attended Bowling Green State University, receiving his Bachelor's Degree in 1950. From 1950 to 1952 he served in the United States

Army, and in 1957 he received his Master's Degree from the University of Toledo.

Mr. Prentiss' career as an educator began at Lyons High School in Metamora, Ohio. From Metamora he returned to Savannah where he taught social studies at Commercial High School. In 1958, Mr. Prentiss became a government teacher and football and track coach at Maumee High

School. He is the "winningest" coach in Maumee history with a record of 65-21-1.

Mr. Prentiss became the principal of SHS in 1971 when the enrollment was 563. This year our enrollment is 955. In addition to the students, Prentiss supervises 55 teachers and 18 non-teaching employees.

During his tenure as principal, Springfield has seen many changes. Written curriculum which is reviewed annually was established; honors and college preparatory classes have been instituted; graduation was moved from the high school gymnasium to the Masonic Auditorium; three types of diplomas are now given at graduation; and students now need 19 credits to graduate.

In 1974, Mr. Prentiss chaired the Building Improvement Committee which was responsible for the addition of the north gym, the back of the cafeteria, and the classrooms in D-hall.

Besides the changes in the building and the curriculum, there have been many changes in the athletic department. Springfield now has 26 athletic teams; girls athletics have become a major part of the program; there exist now an Athletic Board of Control, a system for athletic awards, and evaluation of coaches. Mr. Prentiss has always believed the "students who are 'involved' ultimately become better students and better adjusted adults."

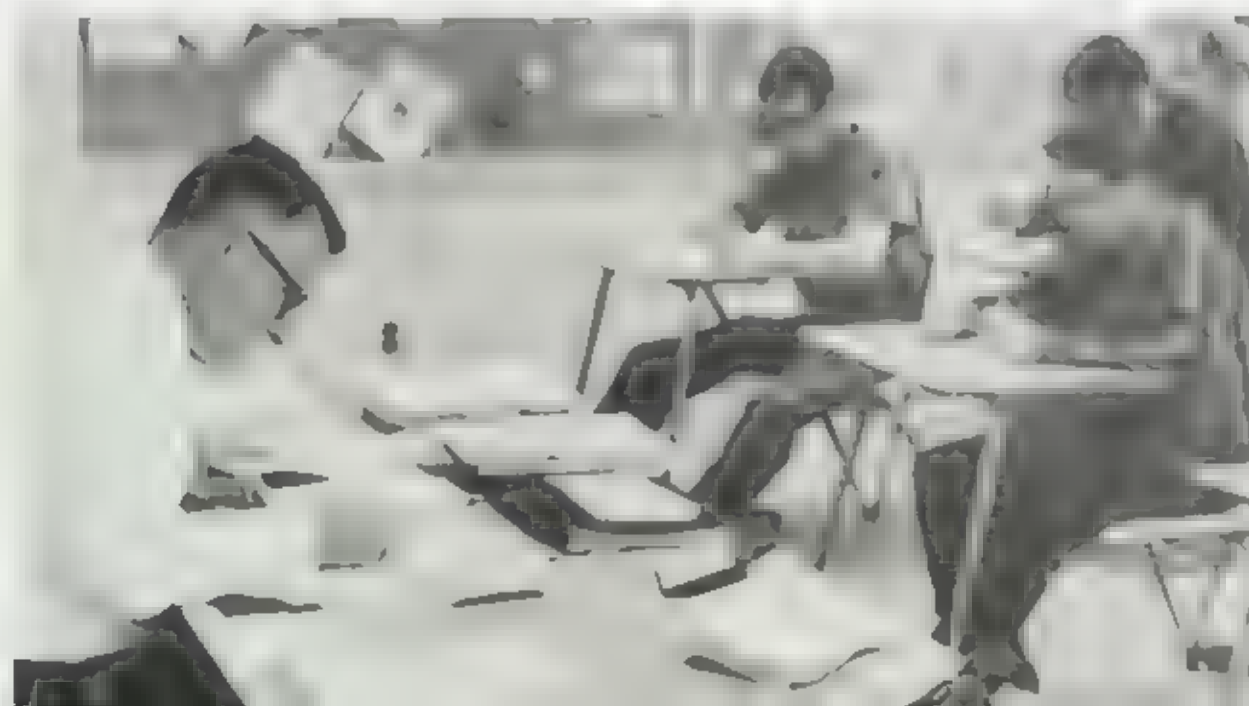

In dedicating the 1985 TRIDENT to him, we recognize that in his fourteen years at the helm, Mr. Prentiss has made a major contribution to the improvement of Springfield High School. We, the 1985 TRIDENT staff, join the faculty and student body in congratulating him on thirty-five years of service to education and we wish him a long and happy retirement. Thank you, Mr. Prentiss, for a job well done.

Coach Prentiss left with the Panther assistants.

Mr. Prentiss with his fellow coaches in November 1985.

VICTORY

This year the Soccer class
 didn't win Spirit Week. After
 their previous bad places, the
 class didn't get together
 and settled every one
 in to look their selves. Most of
 the school's effort about
 Soccer yet it was
 our job to look that however
 only made a work order.
 Even some seniors but we
 should not break the tradition
 and that we could still win
 Spirit Week this year. So
 most at the Soccer class that a
 lot of effort into winning and
 we finally showed the lower
 classes who is the best.

So whats up "Zool Rock". I cant tell you how long I have known you becuze I guess the partying has like kinda destroyed my BRAIN CELLS. Well the times I have remembered has been Great.

It seem like just last year we were talking about BMX bikes and ATZ's. But.

Now were talking about ~~POOLERS~~ AND

Girls. We better keep in touch this

ORGANIZATIONS

summer. AND I mean that we have

to go out and party alot this summer. I dont believe it; its almost been 5 yrs since you called me a wigger. It went in one ear and out the

other. I hope we ~~better~~ have some classes

again next year so we can party in class. Well I wish you the best of

luck in the future.

The Springfield High School Blue Devil Marching Band came out this season with a new image and an improved sound. The band attended a marching competition at Lake High School and took high music, drum major, and flags in their class. The winning attitude carried on as the band finished a successful marching year and began concert season. The concert band participated in the Solo and Ensemble contests as well as the Concert Band contest with outstanding spirit.

The 1984-85 Flags and Majorettes were an excellent part of the Marching Band. The new uniforms for the Flags gave our band a more refined appearance to go along with their new image. The Majorettes provided quality side-line routines that entertained the fans. Lisa Streib expanded her abilities by doubling as the field commander at the Lake competition and at several half-time shows.

The 1984-85 S.H.S. Chorale works hard to promote the standard of quality over quantity. This year has been a challenge for the members of our Chorale to attempt to get more of our student body involved. The Chorale has made a lot of progress this season and is looking toward a bright future.

The Springfield High School Stage Band has been very busy performing this year. The Christmas season was made more entertaining for the Toledo area through concerts at Portside, Manville Corporation, Toledo Senior Citizens Center, and Southwyck Mall. The Stage Band is playing a wide variety of music and they are providing musical memories for themselves as well as their audiences.

Buckeye Boys/Girls State

Buckeye Boys State and Buckeye Girls State are schools in government through practical application where a young person learns that government and good citizenship are inseparable. Boys State is held at Bowling Green State University while Girls State is held at Ashland College. Boys State and Girls State are sponsored by the American Legion; students selected to participate are recognized by their school as potential leaders in the community, state and nation.

Distributive Education Clubs of America

Distributive Education Clubs of America or DECA is the co-curricular club for the Marketing Education program. Through the club portion of the program, students have the opportunity to develop their leadership ability, social intelligence, career awareness and civic consciousness. This is accomplished through various activities, as well as through competition with students from other DECA chapters.

The Springfield Drama Department is under the direction of Mrs. Peggy Anderson and Mrs. Carol Morse. The Drama Club meets once a month in the Junior High School. Their activities included two dances, pizza parties and a field trip to the Westgate Dinner Theater to see "Annie." This past December the Drama Department presented the play "Scrooge." It is the goal of the directors to have members experience live production and the many areas in which students can involve themselves in theater.

The Future Medical Careers Association consists of high school students who are trying to make career choices in health care. To help them choose which career might be best suited to their individual interests and abilities, the members of the club visit area hospitals, talk to professionals in health care, and observe the work place. The FMCA students also help the Red Cross in the operation of the annual blood mobile held at Springfield.

The purpose of F.T.A. is to provide students with an opportunity to work with young people in an educational setting, to find out about the teaching profession, and to provide service to teachers.

Members of F.T.A. give up their study halls every day to go over to Holland Elementary to assist a teacher with various classroom duties.

Several fund raising activities are engaged in throughout the year so that a scholarship can be awarded to a worthy senior club member.

The French Club is involved in many diversified activities. Over Easter vacation last spring, ten S.H.S. students traveled to Paris for ten days in the French capital. The Eiffel Tower, Notre Dame, The Louvre and the romance found in the City of Love all contributed to a most successful trip. The trip was so successful that a two week circle tour of France is planned for this summer. Activities such as French lunches and foreign language week at the University of Toledo help students build an appreciation for and an understanding of the French culture and civilization.

Spanish II and III

[illegible]

The members of the Spanish Club take part in many activities which teach them about the culture and customs of Spain and other Spanish speaking countries. These activities include preparing as well as eating popular foods from the target country, exposure to Foreign Exchange students and Christmas caroling in the language with a pinata party following. In June of this year, several Spanish students are planning a three week study session in Madrid with Senora Smith where they will receive college credits from Bowling Green University.

Student Government consists of class representatives who play a viable role in the day to day school experience. The goal of Student Government is to promote good citizenship and develop leadership. Some of the activities Student Government is responsible for are Spirit Week, Student of the Month, assemblies, charity programs and student exchanges.

ALMA MATER

Here in Oak Openings
A dear old Springfield High
Near where our patriots
Fought for freedom, here they died
Our school is the finest,
The only one we claim
That goes with us in all our dreams
Down our memory lane
We will always do our best
To uphold her fame,
Win or lose, we all will try
To glorify her name
In games we play,
In everything we do
We'll keep her honor ever bright,
We pledge our hearts to you.

The Army Junior ROTC Program of Instruction has been developed against a historical background of over 60 years of experience to meet the changing educational philosophies and concepts of today's institutions of secondary education.

The JROTC Program of Instruction is an excellent vehicle for practical application of leadership and citizenship theory taught in the JROTC and in other high school courses. The program is a cooperative effort on the part of the Department of the Army and the Lucas County Office of Education to provide secondary school students opportunities for all-around development. Satisfactory completion of the program can lead to advance placement credit in Senior ROTC or advanced rank in the Active Army, Army Reserve or the National Guard.

Springfield High School is the first institution in Lucas County to host a JROTC program and has a current enrollment of 135 Cadets.

A hand-drawn graphic featuring five balloons on the right side, each with a name written on it: 'Fulton', 'Ottawa', 'Wood', 'Lucas', and 'Sandusky'. The balloons are connected by wavy lines. The background is filled with various geometric shapes including circles, triangles, and squares, some with dotted lines trailing behind them, suggesting motion. The main title 'PENTON COUNTY' is written in a large, stylized, blocky font, slanted upwards from left to right. The word 'PENTON' is in a more angular, blocky font, while 'COUNTY' is in a rounded, bubbly font. The entire drawing is done in a simple, sketchy style with black outlines.

A hand-drawn illustration of a party scene. At the top, three balloons are shown: one on the left, one in the center, and one on the right. The balloon on the left is white, the center one is white, and the right one is white. Below them, there are several wavy lines representing streamers. The background is filled with small circles, triangles, and squares, representing confetti. In the bottom left corner, there is a purple balloon. The word "ATHLETICS" is written in large, bold, block letters across the middle of the page. The word "ALIVE" is written in large, bold, block letters at the bottom of the page. The entire illustration is drawn in a simple, hand-drawn style.

The 1984 Blue Devils Football Team suffered through a 2-6-1 season that was plagued with injuries. These injuries forced the Devils to play many juniors and sophomores, all of whom had previously seen little Varsity experience.

Playing good defense kept the Devils in every game, and the 28-25 Homecoming victory over Maumee was as exciting a contest as has been seen in past years.

The upset victory over Southview in the season finale ended the 1984 season on an upbeat note with the Devils looking forward to continuing the winning trend in the fall of 1985.

The Freshmen football team completed the 1984 season by compiling a fine record of 5-3. Coach Dukate and Coach Mayo agree that this freshman team has more talent than any other freshman team in the last five years.

The 1984-85 Soccer Team showed great promise while suffering through their season. The team had only two seniors and juniors on the team, but many sophomores and freshmen gained valuable Varsity experience. The team improved greatly and won two late season contests with thrilling finishes. A major problem for the team was competition; the whole area had many good teams that were much improved from last year, but the Devils managed to stay close in every game. Roy Showman was voted team MVP and Most Improved Player.

CROSS COUNTRY

The 1984 Boys' Cross Country Team suffered a disappointing season with a record of 1-7. The season was highlighted by an exciting victory over Rossford. In the league meet at the end of the season the boys' team came in seventh overall. Allan Stiles was the most valuable player of the boys' team, receiving honorable mention all-league and qualifying for District competition. Jamal Cassis received the boys' Most Improved Player Award.

The Girls' Cross Country Team struggled through a 1-6 season but showed promise during a victory over Lake. The girls finished seventh at the league meet. Angie Fulton was the girls' most valuable runner, finishing fourth in the league meet, which earned her first team all-league. She also qualified for District Competition. Brenda Ray received the Most Improved Player Award.

1984-85 was a successful year for the Springfield Golf Team, with a record of 7-9-1. The team led by Seniors Jim Lather and Scott Myers, finished last in the league, but rebounded finishing 7th out of 14 teams in Sectionals. Individual honors went to Jim Lather, who was a sectional medalist with a round of 74 and advanced individually to Districts. Next year's team looks good as Seniors Tom Thompson, Buzz Brown and Todd Robinson will lead the team helped by Jason Wilson, Jason Thompson, Jeff Crow, Jeff Renner and Ron Thompson

DEVILS RANKED

1st IN STATE

The Springfield Varsity Volleyball Team enjoyed a very successful season with a 24-4 record as they captured victories in the Springfield Invitational and the prestigious "Golden Spike" Invitational and finished 2nd in the N.L.L. During post-season tournaments, the she-Devils were ranked as the number 1 team in the state (a first in the history of SHS). They became Sectional and District Champs; however, their goal of getting to the state tournament ended as they lost to Bellvue in Regional finals. Dianne Zerbey received 1st team All-State, 1st team All-N.L.L., 1st team in District 7 and also was named "District Player of the Year." Kathy Rasey received Honorable Mention All-State, 1st team District 7 and 1st team All-N.L.L. Shari Ford received 2nd team District 7 and 2nd team All-N.L.L. Joanne Mersing also received Honorable Mention District 7 and Honorable Mention All-N.L.L. Coach Sonny Lewis was named "AA Coach of the Year" for the state of Ohio.

Bottom row: Coach Dennis Caldwell, Tricia Diluca, Donna Stark, Rhonda Ganske, Coach Sonny Lewis. Top row: Anita Shepherd, Cindy Swickowski, Shari Ford, Kathy Rasey, Dianne Zerbey, Joanne Mersing.

J.V. TAKE N.L.L.

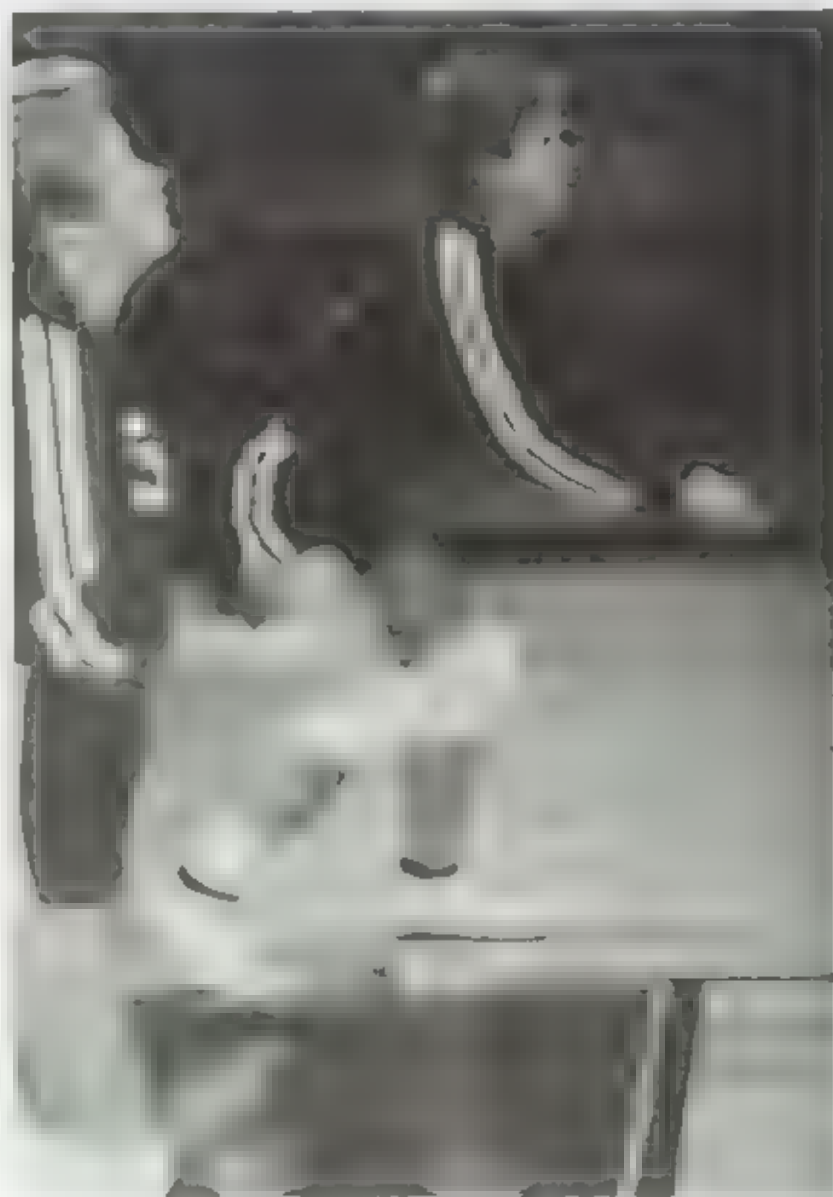

The 1984 Junior Varsity Volleyball Team extended their string of league championships to three, under the leadership of new coach John Tilton. Their record of 13-4 proved to be successful again, taking first in the league. Stellar play throughout the season from MVP's Stacy Miley, Lee Ruegger, and Cindy Richmond led the volleydevils to still another J.V. Tournament Championship. Yet the players realize that this season's successes were only a stepping stone to future victories as varsity players.

FROSH DOMINATE N.L.L.

The Freshmen Volleyball Team coached by Lisa Lawson finished with an 11-6 record despite winning only two games the year before. The team responded with their finest games of the season to defeat Perrysburg and win the N.L.L. Freshmen Tourney.

With only Captain and MVP Tina Jensen returning, the girls' tennis team was the youngest and most inexperienced team in the league. Tina, a junior, continued to set Springfield standards as she became the first player to win seven matches at the first singles position. Future hopes are built on the four freshmen and three sophomores who played this year.

National Contenders

An award winning mound

The Springfield Varsity and Junior Varsity competed in three competitions, doing quite well in each. They attended a USCA camp held at Findlay College and earned three firsts, one second place award, and qualified for the USCA Grand Nationals, which were held in Lansing, Michigan. They finished eighth out of over 100 schools, and Tammy Williams, a Varsity cheerleader, finished in the top 30 out of over 300 cheerleaders for individual ability. The girls ended the summer by placing first at the Lucas County Fair. Once school started the girls ended their competitive season and began their supportive one by painting signs and decorating locker rooms. The 1984-85 Freshmen Cheerleaders have lived up to the high standards set by preceding squads. They placed second at the Lucas County Fair.

led by Senior captains David Montemayor, Tim Hampton, and David Wilson, the Varsity Basketball Team exceeded many expectations this season. The team went undefeated, thought and played with great defense on offense. This year head coach Ed M. Cook said "I think the team made some excellent progress this season. Tim Kiser and I were very pleased with the cooperation and enthusiasm of the team. Any future success can be directly attributed to the hard working effort of this team, particularly our senior members."

led by first-year Coach Ken Politz, the Freshman Basketball Team had a very successful season. Coach Politz commented, "With a great coach and teamwork and dedication, this group will have a great year to come." Basketball is a great sport.

The Junior Varsity Team was very successful in the first part of the season. Coach Politz said, "The key to our success in basketball was the effort and development of this season. The team has the potential to be consistent winners in the next two years."

The 1984-85 Girls Basketball Team exhibited determination, enthusiasm and character. Defeating Sylvania Southview, who was a pre-season favorite to win the league, was a highlight of the season.

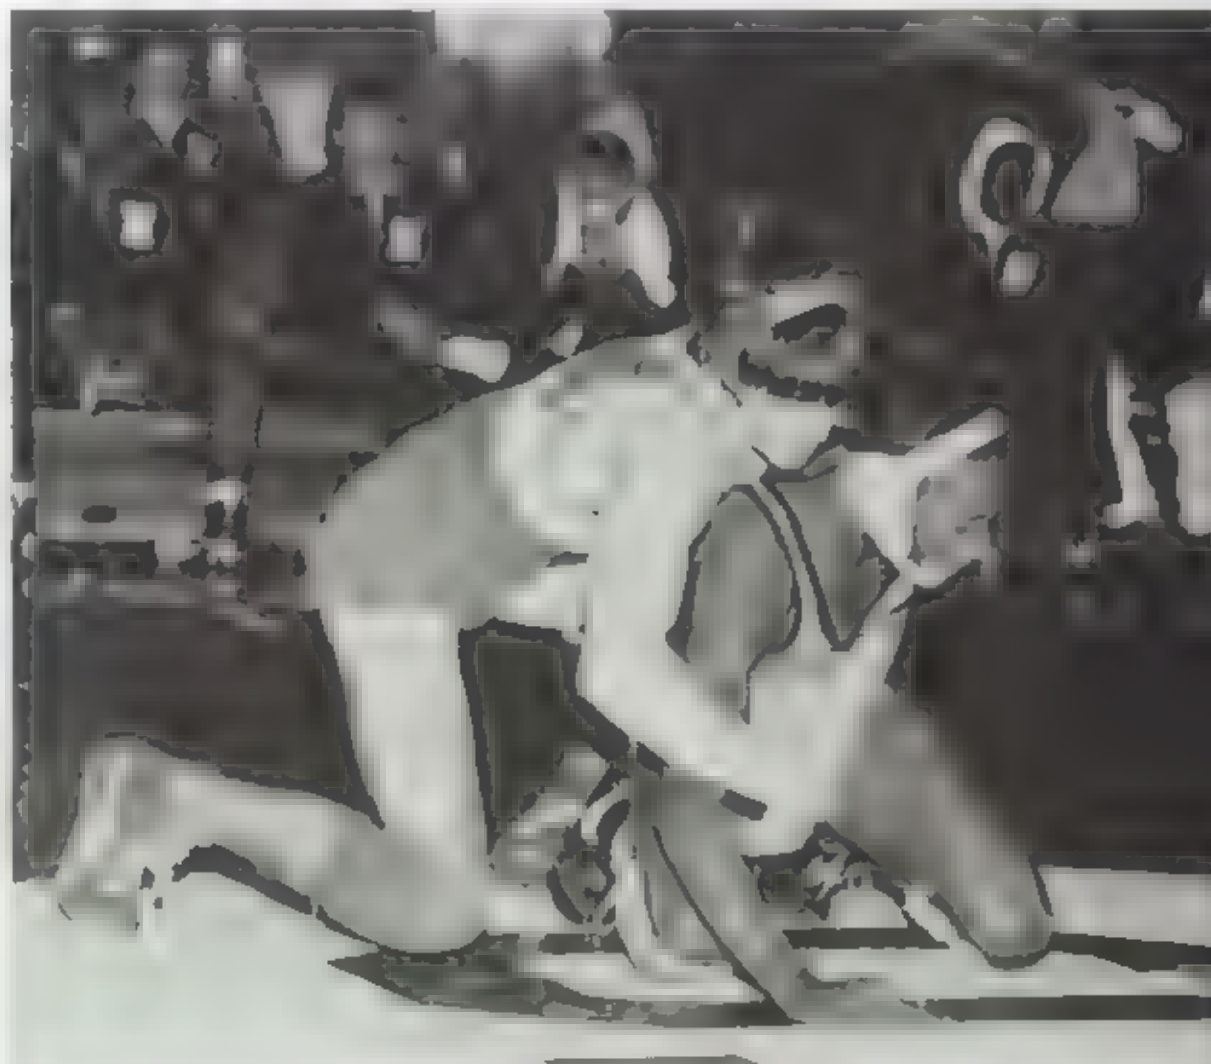

Next season Coach Buckenmyer will have the difficult task of replacing six seniors who provided outstanding leadership during this year's season.

84-85 GRAPPLERS

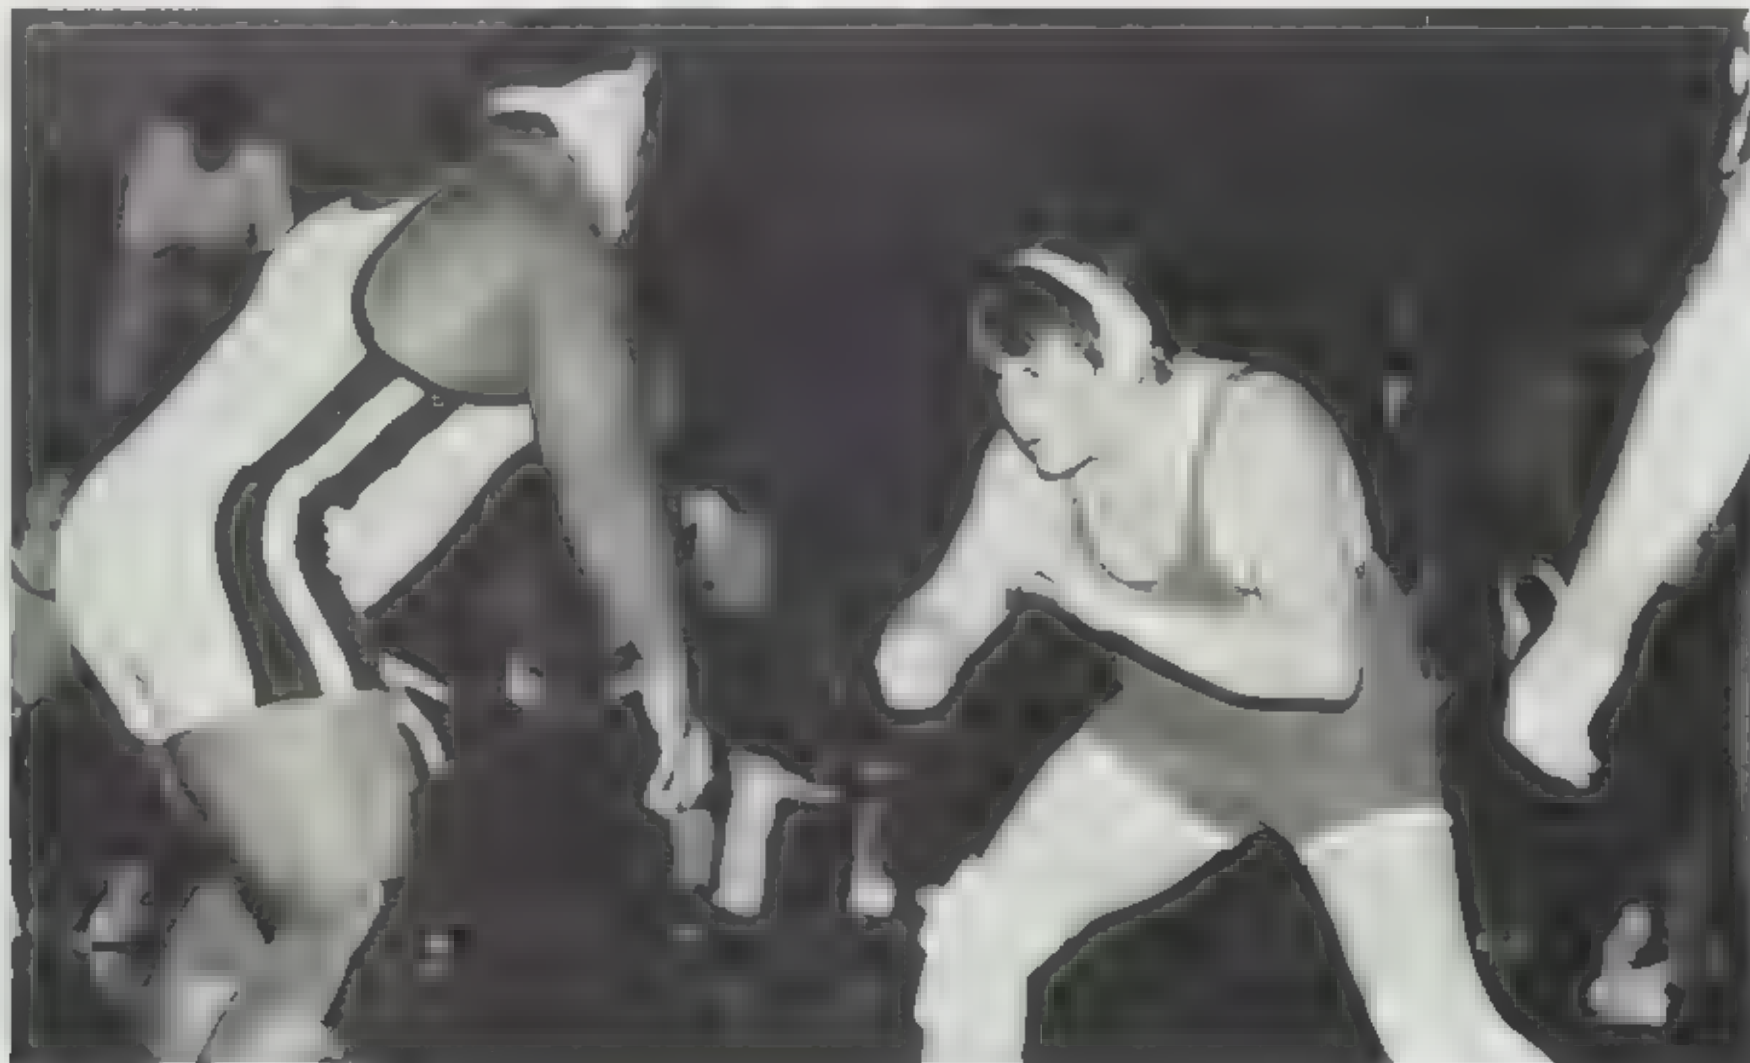

The coaching staff was assisted by the 1984-85 season with great expectations for high level. However, as the season progressed many wrestlers were injured and others left the team.

The team for the season was led by captain Scott Switzkowski and assistant captains Mike and Tom. The team won 1st place and 2nd place. Tom and Scott Switzkowski were named to the all-state team.

In a fight Senior Captain Scott Switzkowski was pinned by a 1st place wrestler. A senior wrestler, Tom, was pinned by a 1st place wrestler. Mike, right senior, was pinned by a 1st place wrestler. Scott -

What can I say?

Write down.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific information required.

The first thing I noticed when I stepped
 out of the car was the cold. It was a
 sharp contrast to the warm blanket of the
 car. I shivered as I walked towards the
 entrance of the building. The air was
 crisp and clean, a welcome change from
 the stuffy interior of the car. I took a
 deep breath and felt a sense of relief.

I found a letter, and
 with some difficult situations
 a decision to make. But
 I have at least one
 great one. I have been able
 to understand and tell
 what it means. I have been what
 the world

[illegible]

Booster,

You owe me one! Ya you do. Doctor, I
named you men! That, we've been friend since

4th grade, what a trip at a time! We have to keep close and go where we can. There's been a pretty good fire and it sure don't want to lose that!

friend and it were closed would it not stay?
Have them this summer, have them with

Have them this afternoon, have them with me. Come over anytime and we'll do something!

I've got to know
better over the years
I've got over a lot
of fun over the years
Call some time or Drive
up to Bowling Green and see
with a party

Scott -
It's been
a pretty long
year. We were still
that we still had
a long time. It seems like
forever. I hope we can spend more
time together. Stop by my house and
look all of summer, OK? You & Lisa
well really cute together and stay in
two the best of luck in future days
God luck in everything, and love

This year is over
been a great friend
always have
to be glad
is well

well
 look
 two the
 had luck in

both.
 Finally, this year is over
 and I hope we always have
 our friendship. One so glad
 for you + Lisa. You guys will
 be together forever. I can just
 tell. I hope to see you a lot
 this summer. Come swimming
 sometime, you always welcome.
 Love,
 Kelly

Scouter,
To a good friend
that I've known
for a long time, and
I hope that we can
stay friends for a lot

Scott,
Well, I
haven't
you very long but
a history I hope a
sweetie got your a
year! I hope we
were finally to get
a great summer, don't
too much! (Just kidding, that's
bring summer!)
You, Jimmy, make
